

DR. JAEGER'S Pure Sanitary Woolen Underwear

A great deal of the sickness prevalent during this cold spell could be prevented by wearing Dr. Jaeger's pure and sanitary woolen underwear.

It prevents ingress of draught at front or back and is of double thickness over chest. It keeps the skin at an equable warmth in any weather.

It is a common mistake that woolen underwear is not necessary in Hawaii. Perhaps in no other place in the world can light woolen undergarments be worn with more beneficial results. Dr. Jaeger's woolen underwear is endorsed by the world's leading physicians.

ANNUAL MEETING OF THE CENTRAL UNION CHURCH

After a feast of good things last evening, the members of Central Union Church held their annual meeting. About 300 were present.

W. W. Hall, clerk of the church, read his report for the past year. On January 1, 1904, there were 996 members; there were 82 additions during the year, and 81 removals by death and to other cities, leaving a net gain of one member for the year; on January 1, 1905, there were 997 members. During one portion of the year there was a maximum membership of 1040.

W. O. Atwater read the report of church benevolences. The total receipts were \$5,021.41, and total expenditures of \$5,001.76, leaving a balance of \$19.65.

Jonathan Shaw read the report of the treasurer of the trustees. The total receipts for the year were \$13,134.12. The expenditures left a balance on hand of \$4.55. Among the expenditures were the pastor's salary of \$4,500; pastor's assistant, \$1,200; superintendent of Palama Chapel, \$148.7.

The treasurer estimates the expenses for the year 1905 at \$12,997, among which will be the following items: salary of pastor, \$4,500; pastor's assistant, \$1,200; Sunday-School superintendent, \$600; Palama Chapel, \$600; choir, \$1500; treasurer's salary, \$400; janitor, \$750; repairs, etc., \$2,000.

At the close of last year there was a deficit of over \$1,000, but donations coming in recently, changed this to leave a small cash balance.

Rev. E. B. Turner presented the report of the bible school. He reported the largest attendance during the year was in March, with 497 present; the smallest attendance in July with 106 present.

W. J. Forbes, treasurer for the Bible school, reported that the total receipts were \$1819.13; total expenditures, \$1784.13, leaving a balance of \$35.

Rev. A. C. Logan reported as Superintendent of Palama Chapel, that there had been discouragement and encouragement in the work. The older people in that section were becoming harder to reach, but the work among the younger element was doing well. In order to make the Sunday evening services more attractive a stereopticon was being used, and this was bringing in many who would otherwise not attend. Mr. Logan announced his regrets at severing his connection with the Palama Chapel to go to other fields.

Mrs. C. H. Dickey reported for the Ladies Aid Society and L. A. Dickey for the Christian Endeavor Society. There was a total membership for the latter of 78. During the year 14,000 books and magazines had been placed aboard transports and other vessels calling at Honolulu.

Mrs. D. Scudder reported for the Woman's Board of Missions. During the year five of the members had passed away, several others, including the president, Mrs. Dr. Andrews, had removed to the mainland. For many months Mrs. S. N. Castle had been unable to attend the meetings, but hopes were expressed for her early return to health. Regrets were also expressed for the inability of Miss Martha Chamberlain to attend. During the year the receipts were \$1563.15; disbursements, \$1558.60.

Mrs. D. L. Withington reported for the Missionary Gleaners' Society; Rev. O. H. Gulick for the Japanese and Pleasant Island Missions; W. A. Bowen for the Portuguese work; Rev. F. W. Thwing for the Chinese work.

The musical program was of exceptional merit.

To Be Depended On

Because It Is the Experience
of a Honolulu Citizen and
Can Readily be In-
vestigated

A stranger lost in a large city would place far more dependence on the directions given him by a local resident than the guidance of another stranger like himself. This is a natural consequence of experience; it's like a ship in a strange port—a trusty pilot familiar with the harbor is always called upon to bring her safely to her moorings. So it is with endorsement; we doubt the sayings of people living at a distant point because we can't investigate, but public expression of local citizens can be depended upon, for 'tis an easy matter to prove it. Evidence like the following is beyond dispute:—

Mr. W. F. Williams of this city, is a light-house keeper, and he has held this position for the last 30 years. He says: "I was for a number of years, one of that numerous army of people who suffer with their backs. Mine ached and pained me to no small extent, so that I was glad when I heard of a remedy for it, Doan's Backache Kidney Pills. I obtained some of these at the Hollister Drug Co.'s store, and took them. They gave me great relief, and I make this short narration of my experiences for the benefit of others who perhaps do not know that nearly all backache arises from the kidneys, and the best medicine for it is Doan's Backache Kidney Pills."

Doan's Backache Kidney Pills are 50 cents per box, for sale by all druggists; sent by mail on receipt of price by the Hollister Drug Co., Honolulu wholesale agents for the Hawaiian Islands.

The calendar part, in two pieces, with tear off sheets, is attached to the lower margin, where there are also some useful statistics. Pictures of Theo. H. Davies & Co.'s various commercial buildings about town appear. A border about the map contains the coats of arms of every State in the Union.
